

Cookie Policy

Last updated: 14/10/2025

This Cookie Policy outlines how GLANtech SOLAR Ltd uses cookies and similar technologies on our website, www.glantechsolar.com.

Cookies are small text files deposited on your device when you visit a website. They help websites function efficiently and provide valuable information to the site owner. While some cookies are essential for the website's operation, others help us understand visitors' interactions with the site.

We use the following categories of cookies:

- Essential Cookies: These are necessary for the website's functionality and cannot be disabled. They are typically set in response to user actions, such as completing forms or setting preferences.
- Performance/Analytics Cookies: These cookies help us understand visitors' usage patterns, including the popularity of specific pages. This information is crucial for enhancing the website's performance. We use tools like Google Analytics for this purpose.
- Functionality Cookies: These cookies allow the website to retain users' preferences and choices, such as language or region, for a more personalised experience.
- Marketing Cookies (if applicable): These may be set through our site by third-party advertising partners to display relevant advertisements. While we currently don't use marketing cookies, we may do so in the future.

3. Managing Cookie Preferences

Users can control and manage cookies through their browser settings. Most browsers allow users to view, delete, and block cookies from specific websites. Users can also block all cookies.

Please note that blocking certain types of cookies may affect your website experience.

For more information, visit <https://www.aboutcookies.org/>.

This Cookie Policy may be updated to reflect technological advancements or legal requirements. Regularly monitor this page for updates.

If you have any questions about our cookie usage, please contact us at info@glantechsolar.co.uk.
